Editor's Letter

Well here we are, nearly at October again! The silly season's over, the roads are crammed with mothers doing the school runs again and that actually rather respectable summer is now fading into memory. Still, we're not the sorts to let that sort of thing get us down here at *Men Only* – not when there's a brand new gaggle of gorgeous girlies to take a squizz at! And we've been rather patriotic this issue, too, with a comfortable majority of the girls being British! Take a look and see who you like best – there's no need to jump to a snap decision, though – you've got four weeks to mull it over before the quandary starts all over again!

Dear Michelle,

Milly and I have been married for three years, and I consider myself a lucky man; she's an attractive brunette with big knockers that are still very firm, a nicely rounded arse and long, shapely legs. But her main attractions, for me, are her luscious, dark snatch and beautifully formed narrow feet. I had not thought of her feet as sex objects before one Saturday night last month, but I have been crazy about them ever since.

On Saturday afternoons Milly likes to go shopping, and who am I to complain if she wants to spunk away her hard earned cash? Especially when it puts her in such a good mood! This particular day, she returned home after a long trek around the shops and flounced straight upstairs. I figured she hadn't wanted me to see how much stuff she'd bought! After about five minutes, though, she called down to me and asked if I'd come up and rub her aching feet for her. I was busy at the computer so hesitated somewhat, but hoping it would improve her mood, I headed upstairs.

I was pleasantly surprised when I pushed the bedroom door open just in time to see my wife sensually pushing her skirt down her legs. I paused in the doorway to watch the spectacle, feeling my dick stirring. She lowered her tights to her thighs then sat down on the side of the bed. Noticing me, she asked if I'd remove them the rest of the way as she was tired and didn't want to snag them with her long nails.

When I knelt to remove them for her I caught the faint aroma of her pussy, which inflamed my manhood even further. I rolled her tights to her knees and she lifted her right leg, while I concentrated on slipping the sheer nylon down her shin and easing it gently from her foot. As I did, I appreciated how perfect her feet were for the first time. Her tights off, she lay back on the bed, then, stretching languorously, she ran the sole of her left foot from her right ankle all the way up to the inside of her right thigh.

Aware of the effect this was having on me, she crossed her legs sexily and began to unbutton her blouse. That certainly increased the pressure in my pants! I wasn't sure why, but I was mesmerised by the beauty of those dainty little feet.

Now she discarded her blouse and bra, allowing her boobs to bounce free. I could feel the front of my pants getting damp with pre-come, and adjusted my tent pole to a more comfortable position. Noticing my discomfort, Milly suggested that I remove my clothes, remarking with a sly smile that it would prevent me from getting foot-cream on them.

Seconds later I stood before her, completely naked with an enormous boner which she pretended to ignore, merely gesturing me to begin. I emptied some cream onto my hands and started to gently rub it into her feet, using long, sensuous strokes running from the nether regions of her shins, down over her ankles and along the sides of her feet, making her moan very quietly.

By now I was so horny I was in genuine danger of coming, so I changed tack, moving my hands back up her legs, massaging and manipulating my way over her thighs and towards her wet and willing pussy.

She parted her legs wide as I explored her sopping slit, and squealed with pleasure as I pushed two fingers inside her gently. I continued to play gently with her pussy and clit until she came, her juices glistening as they ran down my hand. I was so turned on by this that I had to taste her, and I nibbled at her clit, flicking it with the tip of my tongue until she urged me to fuck her. I didn't hesitate and pushed my rock-hard prick into her flooded snatch, feeling my ball-sac slapping against her swollen fanny lips. Riding her like a filly running in a race, I soon built up a pretty furious rhythm, readying myself to blast my hot jism into her bucking twat.

Suddenly, just as I was about to erupt, she grabbed the stem of my cock and pulled me gently out of her. I looked at her in surprise, upset at being knocked off my stride. She kissed me

SHE'S THE TOPS!

Dear Michelle,

Congratulations on yet another excellent magazine – your models are absolutely fabulous! What were the first words I could think of when I saw Angela, who knocked me for six in 78.09? 'Phwoar', then 'Corrr', then 'Woof!'. Angela has got to be just the sort of blonde bombshell that every right-thinking guy would love to have on his arm *(On his arm? Oh, right! – The Ed.)* – she's the total package. She looked amazing in her costume – her legs are stunning and her bottom looks delicious. And how cool does she look in that hat? I didn't bother going anywhere over the Bank Holiday; I was more than happy to stay inside and spend some quality time with the delectable Angela! If I told you how many times I came you'd probably call me a liar, so I'll just say it was plenty!

If I were wearing Angela's hat, I would doff it to photographer Tammy Sands for producing such an amazing set of pictures!

Graham, Cornwall.

Michelle says: Thanks Graham – and everyone else who wrote in about Angela. We had a feeling you'd like that set!

SAMMI & JEMMA

Photos: APD Nudes

We seem to have pulled out a good few stops on the British babe front this issue, and here we are getting two for the price of one *(We wish! – Accounts Dept.)* as the super horny Jemma Perry and Sammi Tye have agreed to go head to tail for our very own delectation! To be honest, though, they didn't need much talking into it…

"What, you want me to do a lesbo shoot with Sammi?" gushed Jemma (that's the brunette) when we proposed the idea to her. "Just let me have a shower and I'll be there in an hour!"

Such promptness is always welcome in a model – not least because it's such a rare quality, but if anything she was early when she turned up, all ready and raring to go. Sammi, meanwhile, was also champing at the bit…

"I've had a big crush on Jemma since I saw her in your sister magazine *Mayfair* earlier this year!" she gushed, "and I can't wait to get my lips around her clit!"

Sure enough, once we'd got the girls dolled up and plopped them in the pool, they were at each other's slits like a couple of wind-up toy frogs. Only hornier. By the time they'd done we reckon the pool had to be more fanny batter than water!

hard, pushing her tongue into my mouth and sucking hard on mine.

"Save your come for my feet," she whispered as she slowly pulled away. "Besides, that wasn't a proper foot rub."

The idea of spunking on her feet appealed simply because it wasn't part of our normal routine. Also, I have to admit that I was now seeing Milly's feet in a new light. I resumed massaging and fondling them, rubbing her tender soles with my thumbs, rotating them gently around the arches and down her toes.

I took each toe in turn, starting with the big one, stretching it gently between my fingers and massaging the toe-pads. She moaned again and when I looked at her, she was fondling her breasts, pulling on and running her fingertips around her pert nipples. She was so intent on her self-pleasuring that she was unaware of me staring at her; I'd never seen my wife behave like this before, and I loved it!

I returned my attention to her feet, this time licking her soles, and between her toes, making her moan again. Applying more cream to both feet, I brought them together, sole to sole. Her high arches created the perfect orifice for my manhood, and I sandwiched my madly throbbing cock between them. This seemed to have the same effect on Milly as it had on me, because when I looked at her again she had both her cunt-lips parted and was brazenly fingering herself into a frenzy.

I was fascinated as her glistening fingers pumped in and out of her hole, and watched them as I slid my cock in and out of my newfound crevice. My wife acting like such a slut and I just couldn't turn away.

Then, just when I thought it couldn't get any better, Milly parted her feet and used her

WORTH THE WAIT

Dear Michelle,

I dare say you received plenty of letters about Tommie Jo when she last appeared in your magazine back in issue 4 this year, and like a good reader I've been waiting patiently to see more of her – but it's getting to be a rather long wait! Have you got any idea when she might be making a welcome (and not a little overdue) reappearance?

Colin, Crewe.

Michelle says: Ah, she's a busy girl is TJ, but we're very much hoping to get her back in the next issue or two. Watch this space!

FIFTY SHADES OF GREY YOURS AND MINE VIBRATING LOVE RING

Lovehoney.co.uk
£12.99

I don't know if NASA are planning any more Voyager type missions at the moment, but if they are, surely instead of sending a bit of Mozart and Chuck Berry on board to educate aliens about us humans they ought to consider lobbing a copy of *50 Shades of Grey* in there somewhere. Let's face it, outer space is just about the only sphere where the book's influence has yet to reach, and surely there are bound to be loads of middle-aged extra-terrestrial lady-type things who are looking for a naughty read on the way to work? Plus, there have got to be a good few million spare copies knocking about by now…

Anyway, as news reaches these shores about the casting of a film based on the books, it's in the realms of the love toy that we're more interested – and what do you know, we've only got our hands on this cock ring that takes its inspiration from the BDSM-lite classic!

Sorry, did we say 'cock ring'? That's a bit too phallocentric for this day and age – what we actually have here is a love ring ('Yours and Mine', if you please, for sharey-carey masochists!)… but be warned, it's not the type you might want to slip on your beloved's finger as you propose to her (not in public, at least).

As it happens, we big fans of cock rings here at *Men Only*, they're just about the only sex toy that produce three worthwhile effects – they make your stiffie larger and stiffier, they serve to delay your climax, and they stimulate your other half's clit at the same time. Basically everyone's a winner!

This model Is re-usable (just as well, given the price), pretty well waterproof – assuming that's what 'submersible' means – and runs on a couple of tiddly batteries (and Lovehoney throw in two sets of spares as well, just for good measure!).

Definitely worth a try if you're not already turned-on to the world of the cock – sorry, love – ring! ANd remember to talk dirty to her while your using it.

NIPPLE ELECTOR

Dear Michelle,

What a fantastic selection of girls you managed to assemble for your latest issue! First off I was delighted to see Brittany return – there's really no excuse for a absence that long with a girl this pretty. I love the picture of her on page 8 – quite a discreet pose, but there's no disguising the way her wonderful nipples are standing to attention! Kayla was lovely too – especially the juicy pink pussy of hers, and Stella was the sort of natural beauty who's always welcome in a men's magazine!

Angela was sheer perfection in those fishnets, and then just when I though things couldn't get any better, there was Paige Turnah and her incredible arse!

With another couple of beauties in Marsha and Sophie to finish me off, I was a very happy reader by the end of the issue! For me Men Only remains the finest magazine on the top shelf, and issues like this one only go to confirm this belief!

Love to you, Michelle, from sunny Kent!

Barry, Maidstone.

insteps to massage my balls! It was so intense that I thought that I had died and gone to heaven! I supported her heels with my hands as she slowly and carefully jiggled my ball-sac before moving on to knead my straining cock with her delicate toes.

Grasping them firmly, I slid my straining prick in and out between her soft, well-lubricated soles. Milly threw her head back and began breathing rapidly as her fingers pistoned in and out of her cunt. I started rubbing my cock-head against one of her insteps, so the foreskin became pulled back and the huge swollen head was wanked by my wife's delicate feet. That finished me! I shot my load onto them, globules of spunk running over the soles and snaking between her toes like thick white liquid rope.

As I tensed and groaned loudly, Milly abruptly leaned forward, scooped up some of my jizz on her finger and sexily licked it clean. I watched for a moment, slightly dazed from my explosion, before massaging the remainder of my spunk into her feet.

I now look forward to Milly's shopping days, and I actively encourage her to wear shoes I know hurt her feet, just so I can massage them for her later on! Not that she's complaining about it.

Kieran, Prestatyn.

CONNY

Photos: **Exposurezone**

Ah, Conny – one of our favourite babes from the last couple of years! It's lovely to see you back in the magazine. How have you been?

"OK, thanks! I've been pretty busy I guess, one way or another. The modelling's been going well, but I've also been doing some studying, so that when the time comes to turn my back on the world of glamour shoots, I'll have something to fall back on…"

Oh dear – it hasn't come to that yet, has it?! The last thing we want you to do is turn your back on modelling (even though it would give us a good view of your lovely bum)!

"Well, nothing lasts forever, and while I've had a fantastic time and met some wonderful people, I've got to think about what lies ahead."

Well we've all spent many happy hours thinking about what lies ahead of you, Conny – those fantastic boobs! As long as you've got that wonderful prospect in front of you, we're sure everything will turn out fine!

Has your girl been getting up to anything naughty lately? If so, why not get her to write in to us – and if it's raunchy enough to use in Miss Behaviour she'll earn herself a double dip busting £50! Send your letters to Miss Behaviour, Men Only, PRP, 23 Lyon Road, Hersham, Surrey, KT12 3PU or email them to menonly@paulraymond.com. Come on – what are you waiting for?!

Miss BEHAVIOUR

Real Life Adventures

Trudy's really been misbehaving this month!

One week during the summer my parents took off on one of those romantic weekend breaks to Paris and left me at home to baby-sit my younger brother Ben. As I am a 20-year-old university student and he is 12 we have very little in common, plus I couldn't even have friends over as Ben would tell mum everything we got up to.

> "His fingers lingered on my skin, sending tingles straight to my pussy."

My friends were going clubbing on Saturday night so I was feeling especially frustrated and put upon by being housebound. Fortunately for me, however, on Saturday Ben's friend invited him over to play, and his mum asked if he could sleep-over. Gleefully I phoned the girls to let them know I could go clubbing after all. I'd bought a new dress during the week as I had not expected to be going out that weekend, and I really could not afford a taxi to the club as well as drinks.

My dad had just bought a Ferrari and the key was in the kitchen cupboard along with the security code. When I imagined myself driving up to the club in it I just couldn't resist. After all, I've got my full license and I'm on the insurance!

The car was fast and seemed easy to handle and I could not resist taking a little detour down some country roads to show off, which was really stupid as it was dark, but I loved the feeling of driving such a posh car and imagined everyone was watching me admiringly. Then disaster struck. I took a bend too fast and lost control of the car, which slid sideways into the front garden of a large bungalow.

The airbags inflated and I was stuck in the front seat panicking as I thought of how angry my dad would be. Luckily the car door was opened and a man asked if I was OK. I was shocked but could not move because the air-bag held me in my seat. With a pop I heard the airbag being deflated, then strong arms reached in to help me from the car.

I stood shaking for a moment as the man made sure that I was not hurt. He was very handsome and I accepted his help gratefully, allowing him to put his arms around me as he supported me into his house until the cops came.

The evening came and went in a flash. Once a doctor had seen me and the police had asked lots of questions my rescuer said he would see to it that I got home safely. I sat shivering on his

sofa while he got me a stiff drink, which helped. By then I had found out that my rescuer was called Steve and that it was his garden I had ploughed my dad's new car into. I broke down in tears then as all the damage I'd done hit me and Steve pulled me into his arms and comforted me.

He wore expensive cologne and his closeness really helped. Then I found myself looking up into his face and realised he was going to kiss me.

It felt so right and I relaxed. We kissed for a long time, looking one another over and he seemed to really like what he saw. Then he caught me up in his arms and carried me to his bedroom.

He laid me on his bed and began to strip me, his fingers lingering on my skin, sending tingles of excitement straight to my pussy. I reached up and began to unbutton my shirt but he stopped me and carried on peeling off my clothes, slipping my sexy little dress off over my shoulders.

I lay back in my g-string panties fingering my pussy as he stripped off in front of me. He had a quiet confidence that comes from knowing you have a perfect body. His toned muscles and tanned flesh looked superb and when he stepped out of his boxers I almost gasped at how beautiful his erect cock was.

It stood out stiff with excitement and his shaven balls were tight, plainly ready for action. I smiled at him, dipping my finger between my swollen pink labia, which peeped from the side of the very thin gusset of my G-string.

Steve climbed on the bed and his hands went to my tits, popping them out over the under-wired cups of my black lace bra. Delicately he pinched each nipple erect as I took his cock in my fist and pumped it. His fingers tweaked and pulled one nipple while he sucked the other, making my juices ooze from my heated pussy, and my buttocks tightened as my back arched and I spread my legs wide.

He took his time sucking and licking my nipples until I was moaning desperately with need and trying to manipulate his gorgeous cock towards my dripping slit. Finally he eased inside me, tweaking my nipples as he thrust it in right to the hilt. My pussy contracted and my hips bucked to meet his. In and out he plunged, increasing his speed as my breath came in ragged gasps. I had never had sex with anyone but boys my own age before and this thirtyish man was certainly different.

Twice he brought me to the edge and then pulled back, making me whimper with impatience and frustration as the sexual tension became almost unbearable. It was only when he finally allowed me to climax that I realised how explosive and wonderful my orgasm was because we had held off for so long.

> "Finally he eased inside me, tweaking my nipples as he thrust it in right to the hilt..."

My pussy gripped his cock as I came hard, one orgasm rolling onto the next until I felt him pause before taking that one final thrust. Then he filled me with his come and my climax just went off the scale… all worries about Dad's car were wiped from my mind in the ecstasy of the moment.

I needn't have worried! I'm Dad's pet. He was just relieved I was unharmed.

PAIGE

Photos: **BB Media**

British girls with spectacular boobs who not only fancy appearing in the nation's longest running top shelf mag (ahem, that's us, btw) but who also like to put in rather naughty turns in some very rude flicks are always welcome round here, so we were chuffed to bits when we managed to lure the stupendous Paige Ashley and her whopping funbags along to the studio for a shoot last month. Well, naturally we'd seen her in action on film, but being presented with the girl herself in the flesh was even better than we'd been hoping for – just as soon as she'd teased (oh alright, 'unleashed') those magnificent mamms from her lacy top we were transported! But doesn't the girl herself mind when men obsess with her knockers all the time?

"No, of course I don't!" she laughed, jiggling them for us as if to prove the point. "You don't have boobs like these just to keep them to yourself, after all!"

Well amen to that, we say – share and share alike, after all!

“The things that I love about women are big breasts!”

Amia MILEY

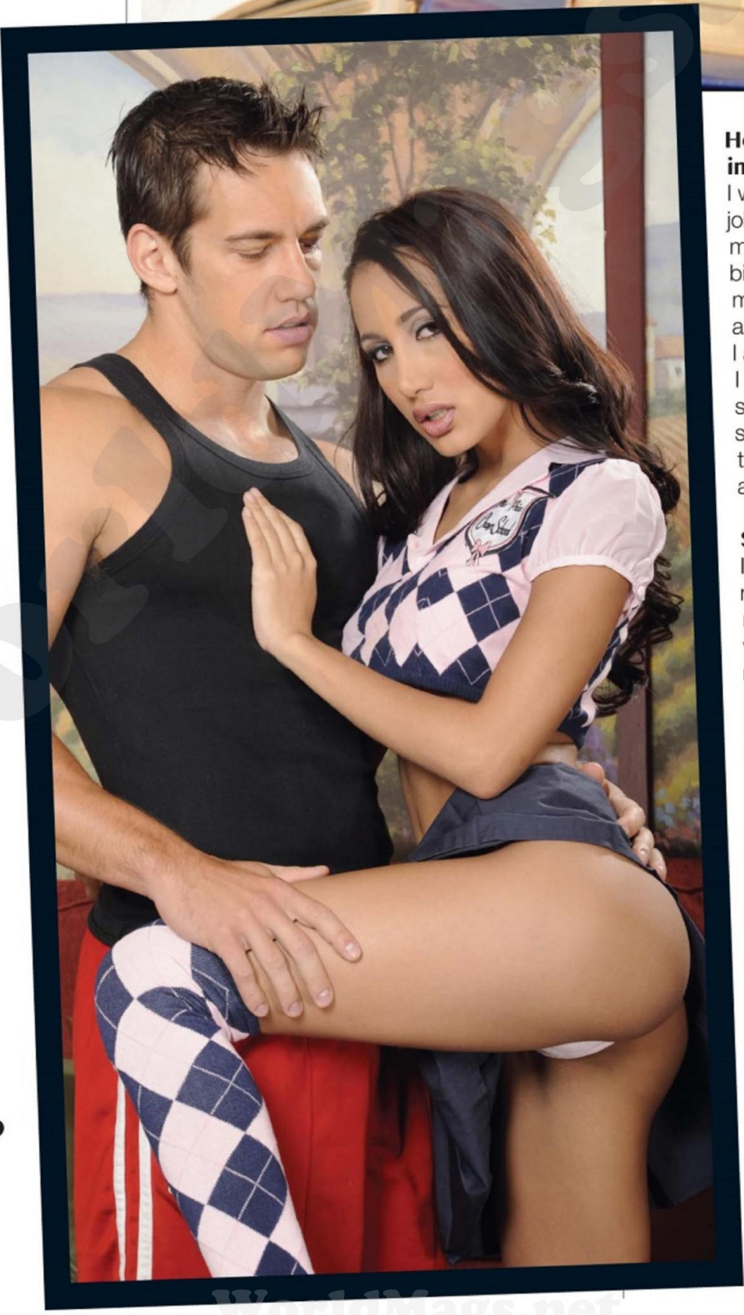
One of the brightest new gems in American porn is Amia Miley, a small, slim and incredibly hot clean shaven actress from Florida with 70 movies to her name.

She came onto the scene at eighteen in the very end of 2008 as Amia Moretti and started out doing mostly blow-jobs. Amia is part Hawaiian and part Italian, giving her a gorgeous face and sexily tanned skin. If you like your girls cute, you'll love this one. She's a petite 5'3" and measures 30-23-32. The brunette has already been in plenty of scenes for several of the top companies, including hardcore, hand-jobs, blow-jobs, facials, foot fetish and interracial scenes.

She spends her time in Phoenix, Arizona when she isn't filming in Los Angeles, and is a self-proclaimed smartarse and science nerd.

Amia brings joy and energy to most of her videos and both can be found in abundance in her latest titles... however her all-natural body is no more. Amia is in the running for the most unnecessary tit job in the history of porn.

Oh well, she is still young, cute as hell and a lot of fun.



How did you get into the adult industry?
I worked in marketing, a regular office job. But I also did a lot of mainstream modelling work; fashion shows and bikini modelling. I wanted to make more money so I got into nude modelling and solo sex scenes. During this time I also happened to watch *Pirates* and I knew then I wanted to get into porn so I could be one of those hot chicks. I started doing masturbation scenes and then it got boring… and bam, here I am and loving every minute of it!

So you like to watch porn?
I have seen a few. I haven't watched many of my own, though. I have so much fun doing it, but I don't like watching them after. It's surreal. I'd rather watch other people, especially girls I hear good things about. I'm thinking I can learn a few tricks watching them perform.

Do you ever masturbate while watching porn?
I do, sometimes. Of course!

What makes a person sexy?
The things that I love about women are big breasts! And they have to be passionate and really love women. For guys I like strong arms, for no particular reason, I just like to grab on to them. It feels very sexy. They also need to be able to hold a decent conversation.

What are your turn offs?
I don't like metro-sexual guys. The after shave and hair gel overload, and the designer clothes… It makes me suspicious.

“Men don’t mind if you skip the foreplay. It’s perfectly OK just to attack his cock!”

WorldMags

How do you make a guy happy?
I grab his dick and start sucking on it! Men are so funny, they don't mind if you skip the foreplay. It's perfectly OK to just attack his cock. A girl needs all this lovey-dovey stuff to get wet and ready, but men are easy.

Spit or swallow?
Depends if I'm in a spitting or swallowing mood. Sometimes it can be cool to drool.

What was the biggest surprise for you about the adult industry when you started?
How much shopping I had to do! I didn't realize we mostly have to bring our own wardrobe. I assumed it was all provided.

Were you popular in high school?
I definitely hung out with the cool crowd and I was always the one dating the older guys.

Where you an easy lay?
No. All my friends were. But I wasn't having sex, I just dressed like a slut and I would kiss and tease. I didn't even lose my virginity until I was almost eighteen!

And yet you ended up in porn!
Exactly! I fooled around here and there, but nothing compared to what my girlfriends were doing. And then here I am now, doing more than all of them combined.

What are your hobbies and interests?
I'm a big fan of *Harry Potter* and *Lord of the Rings* and if I watch TV it's usually the Discovery Channel. I don't really party, or drink or do drugs or anything. So I'm not really into the drama.

Do you hang out with other porn actors in your spare time?
I get along with a lot of girls and guys well, but they are more like acquaintances, since I don't really want to go out and party very often.

Any favourites?
Yes, the coolest girls in porn are Teagan Presley and Jenna Haze. They are so hot, and so nice. Not stuck up at all.

When are you going to start doing anal?
I don't know, but I'm still kinda inexperienced when it comes to sex, so I would like to work up to it. Basically, everything I know about sex I picked up on porn sets!

How do you see the next five years panning out?
I just want to evolve and become the best porn actress I can be. I recently had a boob job to get away from the "teen" look and I will spend more time travelling and visiting strip clubs. And maybe shoot more features. I love doing features. It makes me feel like a real actress – plus you get to fuck, of course!

What does your family think of your career?
My mom is Italian so she is not uptight about sex, in fact, she has been outing me to everyone. Even my dentist knows! I guess she would prefer if I did something else, but at the same time I think she is a little proud of me.

Anything you would like to say to your fans?
One day I hope that there will be magazines and DVDs of me in every country, making every dick hard, every pussy wet, every palm sweaty, every heart happy, and bringing lots of smiles to lots of faces! I want to have fans all over the world in every country, and I will make it known that I'm more than just a sexy body that you want to fuck. I'm a smart girl with a brain and I have a lot to say and in doing so, I want to win over the hearts of everyone that sees me!

These pictures of Jenny here go to prove that it doesn't take much to keep us guys happy. While women might want things like a conversation, shopping facilities, a box of choccies and a nice romcom on the telly to keep them happy, most chaps will be more than satisfied with an utterly stunning young lady and a faintly utilitarian looking bathroom in which to spend some time with her!

"Hey, I hope you're not tarring me with that brush as well!" Jenny protested. "OK, I admit I'm don't mind a bit of shopping, a nice chat or the odd romcom, but I'd be more than satisfied myself in a rather utilitarian bathroom – as long as there was a hunky guy there as well for me to play with!"

Hmm, a girl after our own hearts, it turns out! Now when you say hunky guy, might that definition be stretched to include a wiry *Men Only* blurb writer?

"Er, no. Pass the choccies."

WEB RAT

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

DATING FOR THOSE WHO'VE ALREADY FOUND LOVE WITH THEIR CATS

http://www.purrsonals.com

FINALLY, A PLACE TO GO FOR US CAT LOVERS!

Love cats? Yearn to form a loving relationship with someone which centres less on either of you than on a shared adoration of felines? Want cats dressed up as little bridesmaids and pageboys at your elaborate cat-themed wedding? Then I'm afraid it's my duty to inform you you're mad. Sorry, but you really do need help.

As a common factor attracting individuals to each other, the love of cats is a perfectly good idea… for an initial online chat or even a first date. But this site is for sorry feline obsessives, the kind who 20 years from now will be raving, reeking of cat piss and being wrangled from a semi-derelict building filled with 180-odd moggies by RSPCA officers. As such, PURRsonals is surely a recipe for disaster.

The chat and blogs on the site, which supposedly doubles as a social network, support this view. One typical suitor asks other lonely hearts' advice: "My fellow littermates... i adopted 7 kittys to add to my collection of 4 now however i really cant afford to give them the care they need but what the hell i looooooove cats. Can i subsitute sand for litter... and is 1 litterbox good enough for 11 lovies?"

He asks what he can give them to eat instead of food… "and whats the best bait for my cat traps? as I'm trying to acquire more cats, and one more question how do i stop them from fighting as they are ripping the fur from one another. i lost my job for not showing up cause i constantly have to separate them."

Think Eros with a bow and arrow, bad grammar and fur-balls.

PAINTING A TARGET ON OUR UNDERBELLIES

http://www.flightradar24.com

This immensely well-funded and professional site gave me a bad dose of déjà vu. As a much younger man living in America I remember being gobsmacked when a television news report about a passenger jet being blown out of the skies by a missile was followed by a cheerful, excited review by the station's resident web geek (and this when the Internet was in its infancy) of a new software program which allowed anyone with a laptop to track passenger aircraft. It didn't occur to these clowns that this software might be of even more interest and utility to users who supplemented the laptop with an RPG or a Scud.

Now – 12 years after 9/11 and given all the security measures which have been implemented for fliers from removing your shoes to armed flight marshals – I was aghast to stumble across Flightradar24.com, which provides live and accurate flight tracking for the majority of commercial aircraft aloft around the world… any one of which flights you and your unsuspecting family could be aboard.

While the usefulness of knowing if a flight you are interested in catching or meeting has been cancelled or delayed is not disputed, it seems a trifle flaming idiotic to supply every heavily tooled-up faction of nutters on the planet with the means to ascertain the position of any given commercial flight.

Worse yet, terrorists can now access the Flightradar24 service on iPhone, iPad, iPod Touch, or Android! There is even a pro version available… which I'm guessing provides one with a brace of SAM missiles mounted on a truck, and a pair of binoculars.

According to the site, each month Flightradar24.com gets more than 10 million visits. Equally jaw-dropping is the (Swedish) webmasters' call for "more volunteers" to track even more planes…

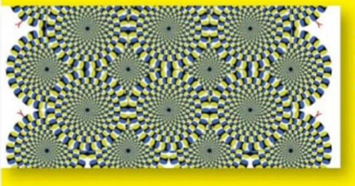
QUICK PICKS

Optical Patterns That Make You Dizzy And Topple Over
http://www.ritsumei.ac.jp/~akitaoka/index-e.html



The site opens on a strong cautionary note, and if I were you I would heed it… best not tarry long. "Warning: This page contains some works of "anomalous motion illusion", which might make sensitive observers dizzy or sick. Should you feel dizzy, you had better leave this page immediately."

I nearly threw up after only just glancing at the first three or four. Seriously. I still feel peculiar and am wrestling with a migraine.

Professor Akiyoshi Kitaoka is an undoubtedly talented Japanese maniac working for the Department of Psychology in Ritsumeikan University, Kyoto. He claims that his nausea-inducing moving patterns are the results of his studies in "visual perception, visual illusion, optical illusion, trompe l'oeil, 3D, etc." This may be true. But it's odd that his page is in English.

Frankly, this smells to me like the work of a Japanese who wants to help his economy by making foreigners feel pukey. I defy you to look at his visually-toxic "artwork" and not wish you hadn't – and that I hadn't found it.

Dear Blank: Please Blank
http://www.dearblankpleaseblank.com

A site quite literally heaving with the poignancy of the written word.

Here are collected the letters and emails from a crash victim to the other driver; a spurned lover to her ex-partner; a gay son to his parent, who's not exactly delighted that junior has come out; from a spurned lover to her ex-partner; and oh so many more.

"Dear ex-roommate,

Good luck getting a job with four felonies on your record.

Sincerely, keep your hands off my stuff."

Intense emotion, bizarre human experience, and the occasional belly-laugh make this site altogether mesmerising… But not hypnotic. It will not, for instance, cause you to make noises like a chicken, or strip off in public and dance a jig.

"Dear school,

Please note my son is at home today since he wants to catch up on his studies

Sincerely, a concerned parent."

Phew – there's nothing better than having a private beach at your disposal, that's for sure! When we popped down to the Côte d'Azur earlier this year we were presented with just such a prospect. Can you imagine – nobody else around to pry and get in the way. Well, you can probably imagine what happened next – one of the most thrilling games of beach cricket imaginable with the ball being smashed all over the place without fear of hitting some other holidaymaker and causing a nasty scene. Then it was time to build some sandcastles, and…

Oh, it's no good, is it? You're not believing a word of this, and quite frankly you're right to be sceptical. What with us being *Men Only* and everything, instead of those more traditional seaside pursuits, we decided instead to take a saucy British babe along with us and take some piccies while she got her mimsy out and had a fiddle. Chloe Lovette, as it turned out, was the perfect choice for this, and really seemed at home as the salty water ebbed and flowed between her thighs and tickled her juicy labia. With attractions like that, who needs ice cream and a stick of rock?

DVD of the Month

There's been a lot of guff written about this being something of a Golden Age of television, but while most of those channels out there are undoubtedly crammed full of a good deal of chaff, there's plenty of damned fine wheat knocking about as well. Most of it, of course, hailing from overseas, and among the foremost in the ranks of these quality shows has to be *Homeland*, which returned for a second season earlier this year and which is now (supposing you either missed it or just fancy watching it again) getting its DVD/Blu-ray release!

The first season bagged a hatful of awards (not least for leads Clare Danes and our very own Damien Lewis), and while the ending of that first season felt a little anticlimactic, it left things nicely poised for the plot to continue. Lewis's Nicholas Brody is now a member of Congress whose status as National Hero soon has him being groomed for possible Vice Presidential office. Heady stuff, given where his loyalties lie! Danes's Carrie Mathisen, meanwhile, remains loopy but brilliant in her quest to bring terrorist types to heel. Cracking stuff!

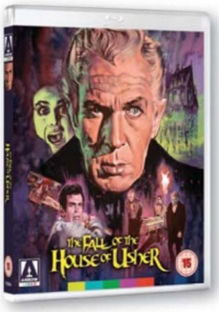
The Fall Of The House Of Usher

Arrow Video



Vincent Price starred in plenty of creepy horrors in his time (he was blessed with his appearance and voice, let's face it), but it was probably his turn in this 1960 Poe adaptation from cult Director Roger Corman that cemented his reputation. The film was shot on something of a shoestring but looks absolutely amazing, while Price gives his all in the role of Roderick Usher, the doomed (and barking!) scion of a cursed family. It's schlocky stuff, but all done with such conviction and panache that you've got to love it, while Mark Damon and Myra Fahey complete the micro cast more than ably.

Those Chinese don't half like making films about the power struggles of their medieval and earlier history, do they? Still, while European films set in that era tend to be about mud and the plague (both of which you can have enough of, frankly) their Chinese counterparts feature all sorts of dazzling visuals – whopping battle set-pieces, dazzling swordplay and the sort of stylized cinematography us Occidentals can only dream of. This epic's another stunner, in which Chow Yun Fat stars. And it's a bit of a blinder, too!

Remember CB radio? Then all of a sudden they weren't banned any more and everyone lost interest *(Erm, wasn't it 'Band' rather than 'banned'?! – The Ed.)*. Anyway, in the late 70s and early 80s we were all kind of obsessed with them – not least thanks to rather cool films like this one, in which Kris Kristofferson plays a trucker who likes to keep one step ahead of the law thanks to his trusty CB! Directed by the always interesting Sam Peckimpah, it's a great vehicle for Kristofferson (get it?) and that's a big 10-4 from us!

BOOKS

Classic Books

Barnes and Noble

Barnes and Noble have produced some beautiful volumes over the last few years – beautifully bound and printed books featuring all sorts of classic tales and the like, and they've only gone and released another batch. There are plenty of titles to chose from, but our eye was caught particularly by the Bram Stoker collection – not just *Dracula* but plenty of other tales from the master of horror as well. For the kids there's also a nicely illustration volume of *Aesop's Fables* – you'd be surprised just how many of them there are! At £25, these ain't cheapy books, but you certainly feel like you're getting your money's worth. Kindle schmindle!

GAME

8/10

FIFA 14

EA Sports – And on just about every platform you could possibly think of!

OK, so first up that cover – even the most ardent football-haters in the country can't be unaware that Gareth Bale's no longer playing for Spurs, having buggered off to Real Madrid for something like £100 squillion. So it looks like the UK version of the game will have two players plying their trade in Spain on the cover. Ho hum!

The game itself is… well, come on, there's only so much you can do from one season to the next to tweak a football playing game. There are no new weapons, no new breeds of alien or zombie to shoot down, and not really any new mission other than, you know, winning games and leagues and stuff. Still, It'll fly off the shelves, we dare say, as thumb-twitching footie fans flock to watch the same players as last year doing the same thing – but occasionally wearing a different colour kit while they're doing it!

Yes, the stadia and the graphics and all that are stunning, but sure if you really loved your kids, you'd give them an actual football instead, wouldn't you?

TRIPLES ALL ROUND!

I was in the pub the other night and ended up talking to a hunky looking guy called Jason. We got on really well and I had high hopes that our conversation might lead on to something else. However, after a little while a fantastically beautiful looking girl appeared; to my despair she turned out to be Jason's girlfriend.

At first I thought this Amanda might be mad with me for chatting up her boyfriend, but she wasn't. In fact she turned out to be really nice. As a result I gave up any thoughts of fucking Jason and just enjoyed their company.

When Amanda finally turned to Jason and said it was time to go I thought that would be the end of the evening for me, so I was completely amazed when she looked me straight in the eyes and said, "Well, are you coming?" like it was the most natural thing in the world.

I wasn't sure if she meant they were going on to a club but I said "yes" because I didn't have anything better to do. So off we went to get a taxi.

We didn't talk in the cab and I felt rather awkward but when the taxi turned into a residential street it became clear what was going to happen when we pulled up outside some flats.

I knew straight away that it was Amanda's flat we were in as it was very much like her – feminine, sensual and sexy in a discrete way. I also knew straight away that the three of us were about to indulge in something that doesn't happen every day. Not to me, at least.

We went directly to her bedroom, which was all high ceilings and tall mirrors, with a big sofa in the corner. Amanda stood in front of a full-length mirror and started to undress.

"I'm going to eat your pussy," was all she said. "Why don't you take your clothes off?"

Jason settled himself on the sofa, obviously happy to watch Amanda and I. I'd never licked a pussy before or had mine licked by a girl so this was new to me, but they were both so gorgeous and nice that I knew I would be safe with them, and I started to undress.

When we were both in our underwear we stood and admired each other. Amanda's body was as close to perfect as it is possible to get and when she slipped her bra and pants off I felt my pussy start to contract, almost against my will. I was sure I could feel my juices running

> "I shuddered as her tongue lapped at my clit and parted my lips..."

“I felt Jason’s cock brush against my buttocks and the groove of my arse.”

down my thighs.

Amanda guided me on to the bed and started to lick me between the legs. She was gentle and it was the best thing I have ever felt. I shuddered as her tongue lapped at my clit and parted my lips, pushing inside my hole. I came, biting my lips to stop myself shouting out.

As my hips bucked, Amanda moved up the bed and swung her hips over my face so I was looking straight up at her cunt as she continued to suck mine. She lowered her pussy down until it was pressed onto my face and I attacked it with my tongue, eating her cunt like it was ripe fruit.

As I devoured Amanda’s pussy, I felt her sucking on my slit but I also felt something else – Jason’s strong hands grasping my thighs and pushing them up against my body. My cunt opened even wider and Amanda used the opportunity to explore my gash more deeply. I felt my juices and her saliva run over my anus and I knew my backside was very exposed. Then I felt Jason’s hard cock brush against the skin of my buttocks and then in the groove of my arse.

Amanda stopped eating me out to take Jason’s cock into her mouth and suck noisily on it. Her thumb slipped into my slit while she massaged my perineum and arsehole with her index and middle fingers. She then took hold of Jason’s knob and pushed its tip between my slippery lips, using his cock on me like a dildo. I was gasping for breath as I felt my cunt being filled but Amanda continued to gyrate her groin, rubbing her cunt all over my face.

After dipping Jason’s cock in my cunt for a few minutes she withdrew it completely and placed her mouth back over my pussy, sucking my lips into her mouth.

At the same time she placed Jason’s cock against my sphincter and encouraged him to push. I let myself go, relaxed the muscles of my arse as best I could and waited.

He pushed in me slowly and I felt myself open up. He seemed huge. At this point I went wild, shouting out: “Fuck my arse! Suck my cunt!”

Having both holes pleasured was a mind-blowing experience and for the next few minutes I was thrown into sexual ecstasy as Jason and Amanda raced to make me come. As my orgasmic juices began to gush, Amanda responded by lapping at me even harder. Jason kept drilling his rigid dick deep into my arse, driving me wild.

The waves of excitement continued until Jason finally emptied his load up my bum before collapsing to the side of me. He and I were panting for breath while Amanda took turns in lapping at my pussy and arse and Jason’s cock for any remaining juices.

The next morning I awoke to find myself on Amanda’s bed, sandwiched snugly between her and her boyfriend. A repeat performance ensued and well, let’s just say I’ve been a regular visitor to Amanda’s flat since then.

Julia, Manchester.

TOP FLIGHT

It had been the best month of my life. Inter-railing around Europe had been a dream of mine for so long and it had been everything I had hoped for – and more. It was almost over. I should have been sad and I probably would have been but one thing, or rather one person – Ashley. As I sat waiting for our flight home, my heart skipped a beat as she walked back towards me with a couple of drinks and some snacks. Ashley was stunning, a girl who would normally be way out of my league – but when you're travelling, something happens. To her, I was cool simply because of what I was doing. I'd never been cool in my life before!

Ashley's long dark hair fell around her face as she sat down, escaping as it always did, from the knot of her scrunchie. The curls of hair framed her ruby lips and deep green eyes. We'd been on the railways together for three weeks, passing through a dozen countries, but this was our first time at an airport. As Ashley captured the stray hairs and retied her scrunchie, I watched her boobs thrusting against the material of her top. I'd never seen her look unkempt; even when she was soaked with sweat, she had a certain sexy glamour about her. I could see that she had applied a shiny red gloss to her lips which made them look wet without her having to lick them.

My dick started to harden as I looked at those lips; lips which had given me so much pleasure over the past few weeks. The top went loose as Ashley finished pulling her hair back into place. She'd undone a couple of buttons which exposed her cleavage and there was a glimpse of her black bra. Ashley was used to the effect that her body had on me and clocked my twitching dick as she handed me the drink. She smiled a mischievous, impish grin that excited me even more. "Do you like what you see?" she whispered.

"I love what I see," I replied, smiling warmly.

"Me too," Ashley said, as she bent over and kissed me. She gripped my dick through the front of my trousers. I retaliated by sliding my hand up her inner thigh. I had expected her to clamp her legs shut, but she let my hand explore higher and higher until…

"No knickers?" I said, grinning up at Ashley. She made no comment but looked deep into my eyes and allowed me to run my middle finger along the length of her pussy and push the tip inside.

"Now then, lover," she said, her voice barely above a whisper. "I think we should have a proper fuck before the flight. What do you think?" Ashley had opened my eyes to the possibilities of sex in public places. It didn't matter where we were, when she got horny, we had sex. She unbuttoned my shirt and slid her hand inside, rubbed my chest and then playfully tweaked each nipple in turn. There was no-one close enough to see what we were doing, but there might have been cameras watching. I remained frozen in my seat.

My erection was at full mast as she unbuckled my belt and unfastened my trousers. I knew what was coming as she ran her hand over my cock through my boxers. She looked up at me. "I want this in my mouth," she said, squeezing the shaft. Her hand gripped and as she pulled down, both the boxers and my foreskin were dragged down. My exposed cock sprang up to meet her. "My, my," she said, "someone is eager." There was a naughty smile as she gave a final wriggle of her pussy against my probing fingers, and then she dropped. The movement dragged my fingers away from her pussy but I watched as those bright red lips first kissed my cock and then opened to take it inside.

I groaned loudly as I felt Ashley's mouth work my glans. She gulped me down deeply and I sat back and tried to relax as my girlfriend gave me the most public of blow-jobs. She sucked greedily and I wondered whether she had changed her mind about fucking me. Ashley knew when to stop.

> "I knew what was coming as she ran her hands over my cock through my boxers."

Just when I was thinking about coming, Ashley released my cock and moved up over me. Her weight pushed me down into the chair as her bare thighs opened around my waist. Her skirt rode up and I could see her bare bottom in the reflection of a glass partition behind her.

Ashley assumed a position which had become wonderfully familiar and I gasped as she slid her moist lips up and down my shaft. She was stimulating her clitoris but the pressure was enough to drive the sensitive tip of my cock hard against my belly. When Ashley decided that the moment was right, she changed the angle of motion which caused my dick to catch the entrance of her vagina and she sank down slowly, revelling in the penetration as she went balls deep in one easy motion. Ashley grunted happily and started grinding her hips with my cock buried fully inside.

> “She leant forward and squeezed her pussy around my throbbing cock.”

Then she enacted the final part of her plan. Ashley had made me sit in one of those vibrating massage chairs and she slid a coin into the mechanism which made the chair spring into life. The powerful vibrations felt crazy as they combined with Ashley’s tight, wet pussy gripping and flexing around my cock. “Mmmm, that feels amazing,” Ashley groaned. She ground down on my cock as I ran my hands up and down her thighs. She leant forward and squeezed the muscles of her pussy around my throbbing dick. Ashley barely moved, but the sensation was amazing. It was slow, sexy and deeply erotic and the obvious lust in Ashley’s eyes told me that it was what she wanted. The newly-escaped hair brushed my face as she placed her lips against my ear. “I’m going to come.” Ashley pressed down hard and I felt her pussy flex again, then it tightened and Ashley whimpered as it spasmed. There was no hope of me resisting as Ashley orgasmed on my excited cock. My climax sucked hard in my lower belly and then released in a fountain of spunk inside Ashley’s pussy. We did our best to muffle our cries of ecstasy but since there was no-one there to notice, we quickly lost ourselves to the pleasure.

The massage chair stopped buzzing and I sank into the leather, completely spent. My fading cock was still in Ashley’s wet pussy when I heard a voice. “Those chairs are expensive and I’m sure they’re only supposed to take one at a time.” We looked over to see a couple of security guards standing at a discreet distance. They were both women and the one nearest me looked highly amused by our predicament. My cock slipped out as Ashley turned to look and I saw both guards peer down at my slippery cock and the come oozing out of my girlfriend’s pussy.

“I think you two had better get yourselves cleaned up.” Ashley performed an elegant dismount which left me trapped in the chair. All three women we were laughing at me as I unstuck my sweaty, bare flesh from the leather recliner and struggled to make myself respectable. Ashley shamelessly used a tissue to wipe under her skirt and then patted the skirt into place. Apart from the colour flushing her cheeks, you would never have known that she’s just had sex in a public place.

> “Ashley started grinding her hips with my cock buried inside.”

The security guards resumed their rounds, giggling as they went. “I think we made their day,” Ashley said, laughing.

“I’m just glad that they didn’t arrest us.”

“Arrest us? The pretty one looked like she wanted to join in.” Ashley had gathered her things together and was already wandering off in the direction of our gate. As I watched her hip-swinging walk, I marvelled at having found myself in a relationship with a girl who thought policewomen were pretty. They say that travel broadens the mind. As I limped after Ashley, it wasn’t my mind which was expanding.

Mike, Bristol.

XXX

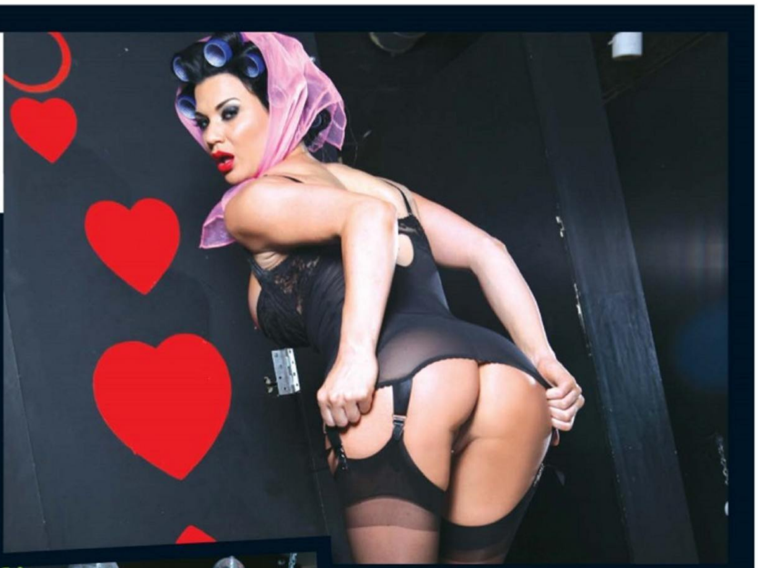
Listen up folks! Now don't go telling everyone, but it seems there are some more mucky films out this month – and here are the pick of them. Why not give them a spin?

Sugar Fuck Candy

4/5

Harmony

Cast: Jasmine Jae, Angell Summers, Tiffany Doll, Samantha Bentley, Lucia Love, Ashley Downs, Yuffie Yulan.



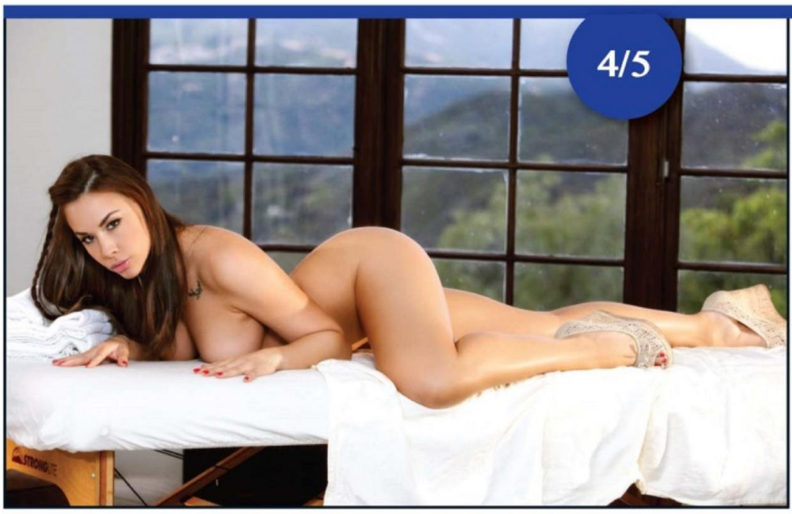
Well it's a curious title, and I was half expecting some sort of Willy Wonka, but in fact there's very little sugar or candy involved in this Harmony offering - although there's certainly plenty of fuck!

Scene one clearly has beret fetishists in mind, because it kicks of with a couple of tasty tourists (Tiffany and Angell) sporting the aforementioned titfers getting picked up by a stud who, having taken their picture for them, invites them back to his gaff so that he can poke his cock into them. The girls are happy to comply, and once he's plundered their invited snatches he moves round the back and gives them both the sort of bumming they're not likely to forget in a hurry. The pop shot, when it comes, is actually rather splendid, and definitely merits repeat viewing.

Next up – and for no apparent reason, legendary cocksman Omar finds himself confined to a wheelchair. Still, he's clearly not completely paralysed from the waist down as his cock springs to attention as raven-haired Yuffie puts on a filthy little show for him. Funnily enough, I felt my own knob responding similarly! Inevitably Omar proceeds to do what he does best, slamming into her shaven spadger until all three of us (you don't mind if I include myself here, do you?) were spent.

Sam Bentley and Lucia love engage in some rather filthy lesbiage next, and with Ashley and Jasmine giving it some hetero action in the last two scenes, I for one was plenty happy, the lack of sweeties notwithstanding. **Available in your local sex shop.**

Editor's CHOICE



4/5

The Girlfriend Xchange

Digital Playground

Cast: Chastity Lynn, Riley Steele, Jada Stevens, Chanel Preston.

Ever wondered what porno studs stake when they're playing cards against each other? No, me neither, although I guess I'd have assumed it was something boring like match sticks, chips or even, if they were feeling particularly bullish, lolly. But no, it seems not – what they really stake is a few days with their super hot girlfriends. Sounds pretty sweet, until you realise those girlfriends are actually porno girls whom they've all screwed dozens of times each anyway! Still, be that as it may, Erik Everhard wins Riley Steele for a few days after trouncing Manuel Ferrera at the gaming table, and well, as a result he gets to prong her in all sorts of unlikely positions! It certainly puts my paltry winnings at solo last night into some sort of context.

However, the course of true porn never did run smooth, and Erik's missus Chastity isn't too happy with the arrangement - so she shacks up with Manuel. Well, if that isn't enough of a plot to get some very fine looking porners banging each other, I don't know what is!

Island Girls

Adam & Eve

3/5

Cast: Anne Castro, Fernanda Franklin, Cinthia Santos, Alessandra Marques, Fabiane Thompson, Kelly Botassim, Suzana Scott.

Adam & Eve Pictures presents
Island Girls
It's an all-girl pussy licker's paradise!

What is it about tropical islands? Hardly a month goes by without some porno studio or other cranking out a flick set on one! Perhaps it taps into mankind's desire to get back to nature and ditch the trappings of the modern world? Perhaps it's some sort of Robinson Cruise fantasy we all share of being shacked up for ever on a sunny beach with an insatiable hottie? Perhaps – and I realise this one really is a bit outlandish – the cast and crew just fancy getting away somewhere nice for a few days while pretending to do some work? Either way, Adam & Even have now thrown their cap into the crowded ring with this, a lesbo-themed tropical island flick featuring girls with even more exotic names than the location itself.

As it happens, scene one takes place even before the crew have arrived at the island, with a couple of tasty hardbodied brunettes getting all sapphic on the deck of a small yacht as it sails towards the place. They're a comely enough pair, and once they're both impaled on either end of a knobbly glass dildo I was happy enough to give them the benefit of the doubt.

Then, before we know it, we're on shore, where another couple of sploshers are pairing up – oh, and is that the very same dildo I spot? I do hope they gave it a good wash first.

After that things carry on in a similar vein, and to be honest I couldn't really tell if most of them were shot on a tropical island or not. Yes, there are palm trees and swimming pools and things in the background, but hell, they could all be in Devon for all I know! Probably not, but you never know.

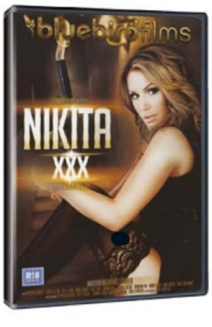
All in all a bit of an ordinary offering from Adam & Eve, who've cranked out some damn fine films in the past. Sunshine and lesbianism should be a winning formula, but even with a couple of boy/girl bonus scenes tagged on, it's a little bit underwhelming…

Nikita XXX

Bluebird Films

4/5

Cast: Gemma Massey, Natasha Marley, Gracie Glam, Anna Lovato, Katie Kox, Dianna Doll, Bobbi Starr… and more.



Hmm, here's a cast to reckon with, with the UK's boobelicious Gemma Massey taking on the role of novice hitgirl Nikita and getting quite a few hits (not actually too many of the actually 'killing' sort) along the way as she does so. The film boasts plenty of talent from both sides of the Atlantic, and it does your heart good to see that the fabled 'Special relationship' is still going so strong.

Early highlights include the delicious Natasha Marley getting jiggy - and we don't just mean in a girl/girl sort of way, either. It's always a pleasure watching girls this pretty doing a proper knobbing scene, and Nat doesn't disappoint! Then, with Anna Lovato getting in on the action in the second scene, you might be forgiven for thinking this flick was in danger of blowing its load too early… but far from it!

Gemma's lesbo scene with Dianna Doll's fantastic, but there's still a whole frenzy of fucking to come! **Available from your local sex shop.**

19th Birthday Present

Private

4/5

Cast: Henessy, Anissa Kate, Ava Dalush, Ashley, Cathy Heaven, Jasmine Jae, Nataly Gold… and loads more!

Ah, what to get for the porno flamper in your life for her 19th birthday? It's a problem I don't doubt we've all struggled with from time to time – if only this film had been around for longer a good few of us might have been spares the anguish! Lovely brunette Henessy is (according to the plot, at least) just turning 19, and to mark the event her boyfriend treats her to breakfast in bed and a knobbing. Well why not, eh? Buy, seeing as the plot holds him to be a billionaire, no less, he also lays on a little something extra – a great big orgy featuring a couple of dozen or so porno starlets. Honestly, in my day you might get a few driving lessons or a book voucher!

Anyway, once the Henessy scene's out of the way we crack on with the gangbang, and blimey there's a hell of a lot of pussy and cock action going on! One long scene that stretches over 90 minutes, with cocksmen sticking it to tartlets left, right and centre! There's some naughty anal thrown in as well, if you think you can handle it!

SOPHIA

Photos: **DDF**

Feeling a bit under the weather now the summer holidays are out of the way and the next thing to look forward to is a credit card busting Christmas? Well so were we, which is why we popped along to the PR Matron's office to see if she could sort us out with a little pick-me-up. Well, imagine our delight when we saw that they'd got a locum in for the day – and it was none other than the cock-stiffeningly stunning Sophia Knight!

Well, all of a sudden our Seasonally Affected Disorder vanished in a puff of smoke! Still, we had to think of some sort of excuse for being there, so in the end we resorted to the time honoured complaint that the old chap didn't seem to be working properly (and no, for once we're not talking about The Ed).

Sophia's face lit up. "I've got just the cure for that sort of thing!" she beamed, and without any further ado she proceeded to peel off her outfit and give us an eyeful of her fantastic body. Well, you can only feign problems in the trouser snake department for so long – especially when it's poking proudly out in front of you for all to see!

SARAH

Photos: Steve Colby

Mags.net

Stone the crows – if it isn't another home-grown honey to round things off for the issue! Those of you of a more laddish persuasion might recognise Sarah Tooke from her appearance in those mid-shelf magazines, but here at *Men Only* we like our ladies togo that little bit further – so here she is showing off a lot more than the lads will have copped!

So Sarah, how does it feel, getting your bits and pieces out for our readers?

"It feels so dirty! I can't quite believe I'm doing it, but it's such a massive turn-on! I've always been a little bit exhibitionistic, but generally that's just been my boobs – but showing off my pussy has got me so horny I can't quite believe it!"

Hmm, yes, it's funny how often a girl doesn't realise just how arousing posing for a magazine can be, which makes it extra nice for us that we're able to open their eyes to the pleasures it can bring – not to mention their thighs!

"Well you've definitely won me over! I think I'll be flashing my pussy all over the place from now on!"

Lovely stuff. Best keep your eyes peeled on the bus, readers!

Now if we weren't the modest types, this would be just where we crowed about the stunning array of talent we've got lined up for next month's magazine… oh, hang on a sec! Well, for starters we're delighted to be introducing one of the most beautiful British babes it's been our very good fortune to come across in many a moon – Chloe Toy. Man, we so want to play with her! On top of that (not literally, sadly) there's also the ever-stunning Lexi Lowe - and loads more!
